

Global Perspectives on Indigenous Pedagogy in Education: Learning From One Another

Part of the Advances in Educational Technologies and Instructional Design Book Series

Sheila Cote-Meek (York University, Canada) and
Taima Moeke-Pickering (Laurentian University, Canada)

Description:

As Indigenous pedagogy continues to grow in the modern educational landscape, it is critical to fully understand key questions such as what Indigenous pedagogy is, why Indigenous pedagogy is important, and how you link Indigenous theory and practice in the classroom. Further study is required to ensure Indigenous pedagogy is utilized appropriately in education.

Global Perspectives on Indigenous Pedagogy in Education: Learning From One Another explores the complexities of negotiating and integrating Indigenous pedagogies in education and presents a variety of global perspectives on Indigenous pedagogies in education. Covering key topics such as collaborative learning, storytelling, and Indigenous experience, this reference work is ideal for industry professionals, administrators, researchers, academicians, scholars, practitioners, instructors, and students.
