

# Fostering Positive Civic Engagement Among Millennials: Emerging Research and Opportunities

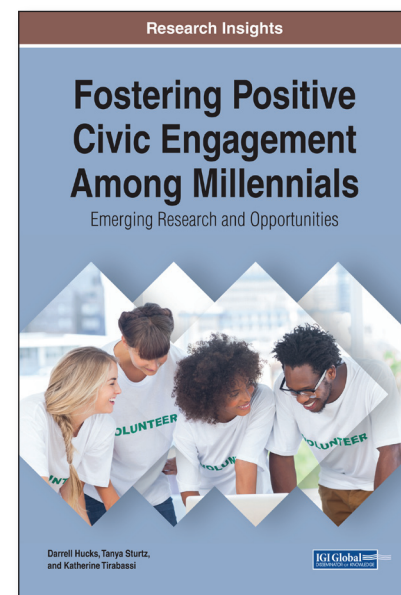

Part of the Advances in Higher Education and Professional Development Book Series

Darrell Hucks (Keene State College, USA), Tanya Sturtz (Keene State College, USA) and Katherine Tirabassi (Keene State College, USA)

## Description:

The millennial generation is quickly becoming more prominent in the political, economic, and social aspects of modern society. Studying new techniques which foster positive impact in their engagement with the outside world can help the millennial generation become one of the most constructive groups to date.

**Fostering Positive Civic Engagement Among Millennials: Emerging Research and Opportunities** is an essential reference source that provides in-depth discussions on the latest trends among millennial engagement practices in social and political contexts. Featuring pertinent topics such as student self-assessments, mentoring roles, and educational tools, this scholarly resource is ideal for educational leaders, academicians, students, and researchers that would like to discover better ways to promote engagement within the millennial generation.
