

Handbook of Research on Organizational Culture and Diversity in the Modern Workforce

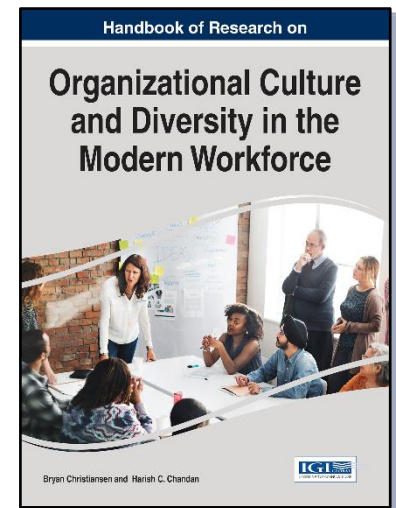

Part of the Advances in Human Resources Management and Organizational Development Book Series

Bryan Christiansen (PryMarke LLC, USA) and Harish C. Chandan (Argosy University, USA)

Description:

Optimal development of contemporary businesses is dependent on a number of factors. By creating novel frameworks for organizational behavior, effective competitive advantage can be achieved.

The **Handbook of Research on Organizational Culture and Diversity in the Modern Workforce** is a comprehensive reference source for the latest scholarly content on components and impacts on effecting culturally diverse workplace environments. Highlighting a range of pertinent topics such as emotional intelligence, human resources, and work-life balance, this publication is ideally designed for managers, professionals, researchers, students, and academics interested in emerging perspectives on organizational development.
