

Open and Distance Learning Initiatives for Sustainable Development

Part of the Advances in Educational Technologies and Instructional Design Book Series

Umesh Chandra Pandey (Indira Gandhi National Open University, India) and
Verlaxmi Indrakanti (Anand Vihar College for Women, India)

Description:

Education plays a vital role in the positive development of communities at both a local and global level. By becoming more informed, citizens can make better contributions to society.

Open and Distance Learning Initiatives for Sustainable Development is a critical reference source for emerging academic perspectives on the role of higher education programs in contemporary society. Including a range of pertinent topics such as mobile learning, environmental education, and community building, this book is ideally designed for educators, researchers, students, and professionals interested in the intersection between sustainable development and education.
