

Business Community Engagement for Educational Initiatives

Part of the Advances in Educational Technologies and Instructional Design Book Series

Mikhail Epshteyn (College of Staten Island (CUNY), United States)

Description:

A recently created trend within the past few years is the active involvement of the business community in the development and implementation of various educational programs.

Business Community Engagement for Educational Initiatives provides innovative insights into the implementation of educational programs jointly by businesses, schools, teachers, and educational organizations. Featuring coverage on a broad range of topics such as educational travel, internships, and summer school, this publication is designed for educational administrators, teachers, business leaders, academicians, and researchers seeking coverage on topics centered on business-supported educational programs.
