Tom Cockburn (The Leadership Alliance Inc., New Zealand)

As global business systems are becoming ever more complex and they continue to grow and expand, it is increasingly more difficult to stand out as an effective and efficient leader.

**Dynamic Leadership Models for Global Business: Enhancing Digitally Connected Environments** describes various models on how to become an outstanding leader in today's rapidly growing global business environments. This book seeks to provide positive instruction which illuminates a practical path to becoming a successful leader in such large and competitive markets. The approach is consistent with any existing leadership development program, or it may be undertaken as an individual initiative.

### Topics Covered:

- Business Communications
- Business Ethics & Law
- Career Development
- Employment Relations
- Global Business
- Leadership & Strategy
- Personnel Training & Management
