

Media Law, Ethics, and Policy in the Digital Age

Part of the Advances in Media, Entertainment, and the Arts Book Series

Nhamo A. Mhiripiri (Midlands State University, Zimbabwe and St. Augustine University, Tanzania) and Tendai Chari (University of Venda, South Africa)

Description:

The growing presence of digital technologies has caused significant changes in the protection of digital rights. With the ubiquity of these modern technologies, there is an increasing need for advanced media and rights protection.

Media Law, Ethics, and Policy in the Digital Age is a key resource on the challenges, opportunities, issues, controversies, and contradictions of digital technologies in relation to media law and ethics and examines occurrences in different socio-political and economic realities. Highlights multidisciplinary studies on cybercrime, invasion of privacy, and muckraking.

Readers:

This publication is an ideal reference source for policymakers, academicians, researchers, advanced-level students, government officials, and active media practitioners.
