

# International Journal of Systems and Software Security and Protection (IJSSSP)

**ISSN: 2640-4265; EISSN: 2640-4273**

Established 2018; Published Semi-Annually

**Editor(s)-in-Chief:** Hossain Shahriar (Kennesaw State University, USA)

The International Journal of Systems and Software Security and Protection (IJSSSP) publishes original research on the security concerns that arise with systems and software. IJSSSP promotes the idea of developing security-aware software systems from the ground up. This journal examines the software security from a software engineering perspective and addresses technical, as well as managerial aspects of secure software engineering. IJSSSP includes all aspects of systems and software security in the development, deployment, and management processes of software systems.

## Individual Price:

Print: US \$295

E-Journal: US \$295

Print + E-Journal: US \$360

## Institution Price:

Print: US \$840

Online Access: US \$840

Print + Online Access: US \$1,015

*Prices are subject to change without notification.*

## Topics Covered:

- Aspect-oriented software development for secure software
- Build security in (BSI)
- Dependable systems
- Experience related to secure software systems
- Global security systems
- Maintenance and evolution of security properties
- Metrics and measurement of security properties
- Process of building secure software
- Programming security
- Relationships between security and other quality concerns
- Secure deployment of software applications
- Security artifacts, evolution, and documentations
- Security assurances, standards, and policies
- Security audit and control
- Security composition in component and service-based software
- Security in software architecture and design
- Security literacy and education
- Security patterns
- Security requirement engineering
- Security testing and validation
- Software protection
- Software security
- Static and dynamic
- Systems protection
- Systems security

## SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at [www.igi-global.com/publish/resources](http://www.igi-global.com/publish/resources) prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
