

International Journal of Teacher Education and Professional Development (IJTEPD)

ISSN: 2572-4878; EISSN: 2572-486X

Established 2018; Published Semi-Annually

Editor(s)-in-Chief: Molly Y Zhou (Dalton State College, USA)

The International Journal of Teacher Education and Professional Development (IJTEPD) invites quantitative and qualitative research and interdisciplinary studies in education, especially in teacher preparation, to include areas of assessment, technology, diversity, and cultural competency. By establishing an academic open discourse on this growing and vital profession, this journal provides a venue for educators, education professionals, and researchers to share emerging topics, issues, findings, and results concerning education and teacher preparation. Articles, reviews, and research projects included in the journal provide insights to the understanding of teaching and learning, and add new knowledge to enrich continued discussion on teaching as a profession.
