

# Promoting Global Competencies Through Media Literacy

Part of the Advances in Media, Entertainment, and the Arts Book Series

Melda N. Yildiz (New York Institute of Technology, USA), Steven S. Funk (Montana State University – Billings, USA) and Belinha S. De Abreu (National Telemedia Council, USA)

## Description:

It is imperative that the 21st century population develops media literacy competence at several levels. Schools possess a crucial role in achieving these competencies and as such, teachers need to be equipped with effective methods and training.

**Promoting Global Competencies Through Media Literacy** is an advanced reference publication featuring the latest scholarly research on transdisciplinary and transformative assessment practices from primary-level to university-level educational settings. Including coverage on a broad range of topics such as digital storytelling, virtual environment, and cross-cultural communication, this book is ideally designed for academicians, researchers, and librarians seeking current research on current trends in media literacy in educational settings.
