Account**

**Upload and Track
Your Orders**

**Receive Your
Final Materials**

**Streamline
Payments**

**Access
Customer Service**

At eContent Pro, we understand the importance of time and resources, which is why the eContent Pro Business Enterprise Management System (BEMS) provides your organization with a seamless workflow. We provide all our partners with a dedicated account within the BEMS. This account serves as a central hub for submitting, tracking, and accessing your orders. With features like department-specific logins, access to past orders, and 24/7 customer service, we aim to provide you with a comprehensive solution for your editorial and publishing needs.

✓ **Manage Your Organization's Account**

Update your organization's information as needed and add multiple users to your account.

✓ **Upload, Track, and Access Your Orders**

Upload your orders, track their progress, and access past orders whenever necessary.

✓ **Receive Your Final Materials**

Receive your final materials once your order is completed.

✓ **Streamline the Payment Process**

Receive invoices based on your organization's payment schedule.

✓ **Access Customer Service 24/7**

Access our customer service team members at any time.

SIGN UP NOW

Get started by signing up for an account in the BEMS. Signup takes just minutes, and once completed, you can begin uploading, submitting, tracking, and accessing your orders.

EDITORIAL PACKAGES

Improve the quality of your manuscript with our array of editorial packages, which are curated to meet your specific needs. These editorial packages feature a range of essential editorial services, including English language copy editing, proofreading, formatting, double-blind pre-peer review evaluations, and journal recommendations.

TYPESETTING & INDEXING

Our comprehensive typesetting services cater specifically to publishers, offering template creation to ensure a consistent and professional visual identity for your publications. We can also index your content either by key terms or by subject, allowing researchers to efficiently locate and navigate specific information.

ART/GRAPHIC MANAGEMENT

Elevate your publishing experience. We specialize in cover design, interior layout, and detailed art & image processing. Our dedicated team of creative experts is committed to crafting visually stunning and market-savvy covers that captivate readers from the first glance, ensuring your publication stands out.

DATA CONVERSION

Revolutionize your publications with our comprehensive data conversion services, which includes metadata preparation to enhance accessibility and organization. Our adept team seamlessly converts any source format, including hard copies, into a diverse array of digital formats and popular eBook formats like ePub and Mobi.

OPEN ACCESS PUBLISHING

From copy editing to publishing in print or electronic format, we support commercial publishers, university/library presses, associations, and societies seeking to outsource their open access publishing needs. Our comprehensive suite of services spans the entire publishing process, ensuring quality and efficiency at every stage.

eCONTENT PRO'S EDITORIAL PACKAGES

Standard Editorial Package

Scientific Editorial Package

Premium Editorial Package

Platinum Editorial Package

STANDARD EDITORIAL PACKAGE

Enhance the quality of your manuscript with professional English language copy editing, meticulous proofreading, and precise formatting. Our expert editors will correct faulty spelling, grammar, and punctuation, improve structure and flow, enforce a consistent style and tone, and cross-reference your citations.

SCIENTIFIC EDITORIAL PACKAGE

Elevate the scholarly impact of your research with two scientific & scholarly evaluations conducted on a double-blind basis. Administered by two PhD-level experts in your specific research area, this package ensures an impartial and rigorous assessment of the scientific merit and validity of your work.

PREMIUM EDITORIAL PACKAGE

Maximize your chances of acceptance by benefiting from professional English language copy editing, proofreading, and formatting, and receiving two scientific & scholarly evaluations of your manuscript, which are administered on a double-blind basis by two esteemed PhD-level experts in your research area.

PLATINUM EDITORIAL PACKAGE

Achieve the highest standards in academic publishing with professional English language copy editing, proofreading, and formatting, two double-blind scientific & scholarly evaluations, and a detailed journal recommendation report, highlighting five academic journals that are suitable for submission of your manuscript.

WHAT OUR CUSTOMERS ARE SAYING ABOUT US

“Fast, fair, and flawless.”

- Prof. Mette Wichmand, Roskilde University, Denmark

“Timely, informative, and positive.”

- Prof. William White, University of Charleston, USA

WHO WE SERVE: COMMERCIAL PUBLISHERS

Through the use of the eContent Pro Business Enterprise System (BEMS), we collaborate with commercial publishers by offering editorial services, including pre-peer review, copy editing, and formatting, to ensure high-quality content is ready for publication.

With an expertise in publishing services, such as typesetting, indexing, data conversion, and metadata preparation, we also help commercial publishers streamline their workflows when they outsource their publishing needs to us.

OUR OPEN ACCESS PUBLISHING PROCESS

WHO WE SERVE: UNIVERSITY/LIBRARY PRESSES

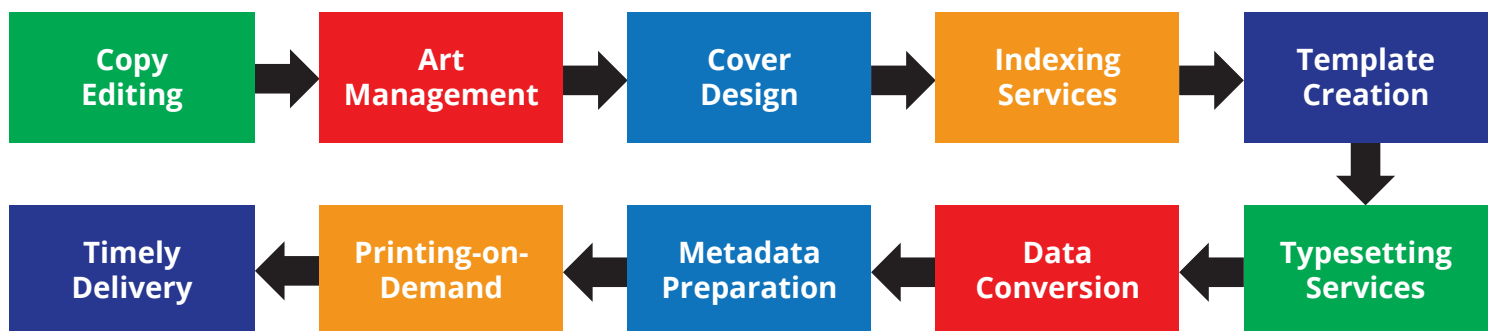

With an expertise in academic publishing standards, we ensure manuscripts undergo rigorous editing, formatting, and typesetting processes to meet the high standards of university/library presses.

By providing personalized support and seamless workflows through the use of the eContent Pro Business Enterprise Management System (BEMS), we help university/library presses efficiently produce and distribute scholarly works, enhancing their reputation and impact in academia.

WHY CHOOSE eCONTENT PRO?

OUR OPEN ACCESS PUBLISHING PROCESS

WHO WE SERVE: ASSOCIATIONS & SOCIETIES

We form collaborative partnerships with associations & societies, offering comprehensive editorial and publishing services to elevate the quality and impact of their publications through the use of the eContent Pro Business Enterprise System (BEMS).

By understanding the specific goals and audience demographics of each association & society, we deliver tailored editorial and publishing solutions that enhance content relevance and reader engagement.
