Collaboration Models & Pricing

We provide two collaboration models at eContent Pro, allowing partners to take advantage of one or both options. We strive to make our collaboration with partners as straightforward and convenient as possible!
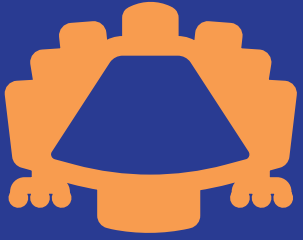

Comprehensive Service Partnership

eContent Pro provides Comprehensive Service Partners with a dedicated eContent Pro Business Enterprise account. This account will serve as the central hub for submitting, tracking, and managing all English Language Copy Editing & Proofreading orders. These orders will automatically be processed at the **special rate of $0.039 per word**, eliminating the necessity to use a special code. Invoices from eContent Pro will be generated on a monthly basis, streamlining the payment process and eliminating the need for individual order payments.

Referral Partnership

eContent Pro provides Referral Partners with an exclusive 35% discount via the special code "**PUB-35**". This 35% discount offer is available to the Referral Partner's in-house team as well as any of the Referral Partner's affiliated authors, reviewers, or colleagues who seek the exceptional quality and fast turnaround of eContent Pro's editorial services. Those who use the special code "**PUB-35**" at checkout will receive a 35% discount on their order, which reduces our English language Copy Editing & Proofreading service rate of $0.06 per word **to just $0.039 per word**.

Enterprise Account For Your Business Needs

Upload and manage your orders in one central location with no fees, recurring costs, or minimum order requirements.

By obtaining a Business Enterprise Account, you gain the capability to generate department-specific logins and assign varying permission levels to users, enabling them to upload jobs or assist in workload management. You can upload manuscripts individually and obtain an accurate quote, which will be invoiced on a monthly basis. During our editing process, you can track and manage your orders by monitoring the progress of each manuscript and its corresponding stage. Additionally, you can conveniently access previous manuscripts whenever necessary.

Upload Your Orders

Quickly upload multiple orders at once and receive an exact quote immediately after each upload.

Track and Manage Your Orders

Review and submit newly uploaded orders, then track their progress throughout the editing process.

Download Your Final Materials

Receive an email notification once your order is completed and download your final materials.

Manage Your Company Information and Users

Add new company addresses and create new users with different permission levels.
