# e-Journal Collections (Frontlist + Backfile)

**NOTE:** Subscription pricing options have been omitted due to IGI Global converting all journals to Gold Open Access for 2023 – onward; however, we are still offering archival content (2000-2022 & 2020-2022) as one-time purchases.

IGI Global's e-Journal Collection offers 30,000+ peer-reviewed journal articles, with 1,000,000+ citation references, sourced from IGI Global's full journal collection. This bundle option allows libraries to purchase the entire journal collection priced at the cost of just a few single-title purchases and offers access to emerging research that has been accepted into prestigious indices, including Web of Science™ and Scopus®. The state-of-the-art InfoSci® platform offers unlimited access and full-text searching capabilities with no DRM. Users can search for titles across three fundamental academic areas:

- Business & Management
- Scientific, Technical, & Medical (STM)
- Education
